TVA TRACT NO. XYECR-17**

**TERMS OF PUBLIC AUCTION**

In case of dispute, the decision of the auctioneer will govern. The Tennessee Valley Authority (sometimes hereinafter referred to as "TVA"), as legal agent of the United States of America (sometimes hereinafter collectively referred to as "Grantor"), reserves the right to terminate, cancel, and/or postpone the auction at any time and reserves the right to reject any and all bids.

In the absence of a dispute requiring the decision of the auctioneer, the sale is final, and after the auction there will be no opportunity to raise the bid as permitted in court sales.

**The minimum acceptable bid is \$42,042.00.**

The Property will be sold to the highest qualified bidder.

On the day of the auction, the successful bidder (sometimes hereinafter referred to as "Purchaser" and sometimes hereinafter referred to as the "Grantee") must make settlement with the clerk of the sale and sign an agreement of purchase and sale.

The Purchaser will be required to make a minimum payment of twenty percent (20%) of the purchase price on the day of the sale and pay the balance within thirty (30) days of the date of the sale. Checks will be accepted.

In the event the high bidder is unable to make the payment required hereunder, the Property may be re-auctioned at TVA's sole option.

Should the Purchaser fail to pay the balance of the purchase price within the time limit established, the down payment may be retained by TVA as liquidated damages resulting from the Purchaser's default in payment.

Fraudulent bidders may be subject to prosecution under applicable federal statutes.

The acreage is believed to be correctly stated; however, the Property is not sold on an acreage basis and no warranty as to acreage is made.

The conveyance document will be delivered or mailed to the Purchaser at the address given to the clerk of the sale within fifteen (15) days from the date the successful bidder pays the purchase price in full.

The deed will contain special warranties of title. Title to the Property was examined by TVA prior to purchase and is believed to be good, but no further warranties or insurance will be furnished by TVA. The land is sold "AS IS, WHERE IS" with no representations or warranties of any kind.

TVA TRACT NO. XYECR-17**

TVA does not represent that the Property will be acceptable as security for loans of money or that it will not be rendered unacceptable as such security by reason of the deed provisions and restrictions applicable thereto. While TVA may have suggested or recommended in its advertising or otherwise what it believes to be the highest and best use of the Property, it does not represent or warrant that the same is safe or suitable in any respect for such use.

The Property was acquired by the United States of America by virtue of the following deeds of record in the office of the Chancery Court Clerk of Tishomingo County, Mississippi, as indicated: Warranty Deed from Mary Johnson, widow, et al., for TVA Tract No. PR-378, dated September 5, 1935, of record in Deed Book B-25, page 46, and Warranty Deed from R. A. Johnson, et al., for TVA Tract No. PR-981, dated March 27, 1937, of record in Deed Book B-26, page 75.

The Property is subject to a Grant of Easement dated July 3, 1974, of record in Deed Book B77, page 48, and the first amendment to said permanent industrial easement dated September 16, 2010, of record as Instrument No. 2010003364, both filed in the office of the Chancery Court Clerk of Tishomingo County, Mississippi, which are attached hereto and made a part hereof as Exhibit D.

The Property will be conveyed subject to 1) such rights as may be vested in the general public or adjoining owners in any public road running through the Property; 2) such rights as may be vested in a railroad right-of-way; 3) such rights of third parties as would be revealed by a physical inspection or survey of the Property; 4) such rights of third parties as would be revealed by an examination of the public records of Tishomingo County, Mississippi; and 5) any known or unknown encroachments located on the Property. TVA has knowledge of two existing encroachments, which are shown on Exhibit C.

The sale of the Property includes only the land. Any fixtures, buildings, improvements, or facilities located on the Property shall be considered personal property of third parties and shall not be subject to the sale.

Grantee, as a condition of this conveyance, shall have invested, or within three (3) years from the date of the transfer shall invest or cause to be invested, a minimum of \$22,500,000 on the Property in support of industrial use, and shall have created, or within three (3) years from the date of the transfer shall create or cause to be created, at least 65 jobs stemming from the operations on the Property. Grantee shall furnish or cause to be furnished evidence of the investment and job creation in writing and to the satisfaction of TVA. In the event Grantee has not made or caused to be made said minimum investment and job creation within three (3) years from the date of the transfer, the Grantor, TVA, or their successors and assigns, may reenter and take possession of the Property as if this conveyance had never been made and without payment of the purchase price.

Grantee, by acceptance of the special warranty deed, will covenant and agree on behalf of itself and its successors and assigns that the following shall constitute real covenants which shall attach to and run with the land and shall be binding upon anyone who may hereafter come into ownership thereof, whether by purchase, devise, descent, or succession:

- (a) Use of said Property shall be limited to industrial purposes only.

- (b) Grantee shall control all emissions of pollutants that might be discharged or released directly or indirectly into the atmosphere, into any stream, lake, reservoir, watercourse, or surface or subterranean waters, or into or on the ground from any part of said Property, in full compliance with all applicable standards and requirements relating to pollution control of any kind now in effect or hereafter established by or pursuant to federal, state, or local statutes, ordinances, codes, or regulations.
- (c) Grantee shall conduct all land-disturbing activities on said Property in accordance with best management practices to control erosion and sedimentation so as to prevent adverse impacts on water quality and related aquatic interests in order to meet the requirements of Section 208 of the Clean Water Act and implementing regulations.
- (d) Grantee shall have invested, or within three (3) years from the date of this transfer shall invest or cause to be invested, a minimum of \$22,500,000 on the Property in support of industrial use, and shall have created, or within three (3) years from the date of this transfer shall create or cause to be created, at least 65 jobs stemming from the operations on the Property. Grantee shall furnish or cause to be furnished evidence of the investment and job creation in writing and to the satisfaction of TVA.
- (e) Any other terms, conditions, and/or requirements TVA finds necessary to protect its statutory obligations, program requirements, and other interests.
